Item 8.01 Other Events.

Direct Digital Holdings, Inc. (the "Company") is aware of the events surrounding Silicon Valley Bank ("SVB"). The Company does not have any material deposit exposure with SVB, as the Company maintains cash in SVB accounts (or the account of its FDIC-appointed successor) in an amount less than the FDIC-insured limit of \$250,000 and does not hold any securities with or at SVB.

As previously disclosed, on January 9, 2023, the Company entered into a Loan and Security Agreement (the "Loan Agreement"), by and among SVB, as lender, and Direct Digital Holdings, LLC, the Company, Huddled Masses LLC, Colossus Media, LLC and Orange142, LLC, as borrowers, which provides for a revolving credit facility (the "Credit Facility").

As the Company has not yet drawn any amounts under the Credit Facility, the Company has issued a notice of termination of the Loan Agreement and is in the process of terminating the Credit Facility. The Company has received a consent to terminate the Credit Facility and a waiver of the terms relating to the Credit Facility under its Term Loan and Security Agreement, dated as of December 3, 2021, with Lafayette Square Loan Servicing, LLC.

The Company reaffirms that, based on the Company's expectations of its cash flow from operations and the available cash held by the Company, the Company believes that it will have sufficient cash resources to finance its operations and service any debt obligations until at least the end of fiscal year 2023.

Forward Looking Statements

This Current Report on Form 8-K may contain forward-looking statements within the meaning of federal securities laws, including the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, and which are subject to certain risks, trends and uncertainties.

As used below, “we,” “us,” and “our” refer to the Company. We use words such as “could,” “would,” “may,” “might,” “will,” “expect,” “likely,” “believe,” “continue,” “anticipate,” “estimate,” “intend,” “plan,” “project” and other similar expressions to identify forward-looking statements, but not all forward-looking statements include these words. All statements contained in this Current Report on Form 8-K that do not relate to matters of historical fact should be considered forward-looking statements.

All of our forward-looking statements involve estimates and uncertainties that could cause actual results to differ materially from those expressed in or implied by the forward-looking statements. Our forward-looking statements are based on assumptions that we have made in light of our industry experience and our perceptions of historical trends, current conditions, expected future developments and other factors we believe are appropriate under the circumstances. Although we believe that these forward-looking statements are based on reasonable assumptions, many factors could affect our actual operating and financial performance and cause our performance to differ materially from the performance expressed in or implied by the forward-looking statements, including, but not limited to: our assessment of future liquidity; our dependence on the overall demand for advertising, which could be influenced by economic downturns; any slow-down or unanticipated development in the market for programmatic advertising campaigns; the effects of health epidemics; operational and performance issues with our platform, whether real or perceived, including a failure to respond to technological changes or to upgrade our technology systems; any significant inadvertent disclosure or breach of confidential and/or personal information we hold, or of the security of our or our customers', suppliers' or other partners' computer systems; any unavailability or non-performance of the non-proprietary technology, software, products and services that we use; unfavorable publicity and negative public perception about our industry, particularly concerns regarding data privacy and security relating to our industry's technology and practices, and any perceived failure to comply with laws and industry self-regulation; restrictions on the use of third-party "cookies," mobile device IDs or other tracking technologies, which could diminish our platform's effectiveness; any inability to compete in our intensely competitive market; any significant fluctuations caused by our high customer concentration; any violation of legal and regulatory requirements or any misconduct by our employees, subcontractors, agents or business partners; any strain on our resources, diversion of our management's attention or impact on our ability to attract and retain qualified board members as a result of being a public company; our dependence, as a holding company, of receiving distributions from Direct Digital Holdings, LLC to pay our taxes, expenses and dividends; and other factors and assumptions discussed in the "Risk Factors," "Management's Discussion and Analysis of Financial Conditions and Results of Operations" and other sections of our filings with the Securities and Exchange Commission that we make from time to time. Should one or more of these risks or uncertainties materialize or should any of these assumptions prove to be incorrect, our actual operating and financial performance may vary in material respects from the performance projected in these forward-looking statements. Further, any forward-looking statement speaks only as of the date on which it is made, and except as required by law, we undertake no obligation to update any forward-looking statement contained in this Current Report on Form 8-K to reflect events or circumstances after the date on which it is made or to reflect the occurrence of anticipated or unanticipated events or circumstances, and we claim the protection of the safe harbor for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995.
